

# W30 2,5mm

## W30 FULLSUIT

Waterproof takes the step into an exciting venture with the new Sport Series and introduces a stunning 2.5 mm fullsuit. Flatlocked seams, stretchy Microcell CR Neoprene and a streamlined design gives the Diver an edge on the beach, super comfort and mobility under water.

To keep the professional divers happy, the new W30 2.5 mm fullsuit features a unique and clever gadget, the WPAD™.

The WPAD™, or the Waterproof Personal Accessory Dock, is an artfully constructed docking station located on the right thigh for a line of new accessories.

The suit has a size range from XXXS to XXXL (depending on market)

The Sport Series is a full range which includes: shorty, swimwear, rashguard, undervest, hood, gloves and socks.
